# ABOUT RAILTRANS EXPO

The Expo focuses on showcasing the latest advancements in technology, equipment, and services tailored to the Railways & Transportation sectors. The event provides a platform for industry professionals, businesses, and stakeholders to come together, exchange ideas, and explore the future of mobility.

Following the triumphant debut of RailTrans Expo 2020: Rail & Transit Expo Online (formerly Rail & Metro Infrastructure 2020) from June 28-30, 2020, and a series of conferences and award programs in 2021, 2022, and 2023, supported by Nodal Ministries, Government Departments, Public Sector Undertakings, and prominent Private Players, Urban Infra Group is delighted to announce the eagerly awaited second edition in New Delhi.

This event aims to provide a dedicated platform for stakeholders in the railways and transportation industry to converge, showcase their innovations, and foster invaluable networks. Building on the success of previous editions, RailTrans Expo 2024 promises to be a pivotal event, facilitating the exchange of ideas, technologies, and business opportunities over a span of two days.

## Event Highlights

**International B2B Exhibition:** Engage with a diverse array of manufacturers, buyers, influencers, and regulators.

**Conference Sessions:** Gain insights into the latest industry developments, cutting-edge technologies, and emerging trends through enlightening discussions.

**Awards Ceremony:** Recognize and celebrate exemplary contributions within the railways and transportation sector.

The RailTrans Expo serves as a unique crossroad where the global railways and transportation industry converge to unveil breakthroughs, share knowledge, and partake in discussions on the forefront of technological advancements.

## Objectives

**Facilitating Connectivity:** Bring together all facets of the railways and transportation industry, transcending traditional boundaries.

**Promoting Innovation:** Showcase and promote the application of technological advancements, equipment, and machinery, catalyzing increased usage volumes in the years ahead.

**Knowledge Exchange:** Foster an environment where industry leaders, influencers, and stakeholders can share expertise, explore collaborative ventures, and contribute to the growth of the sector.

We extend a warm invitation to organizations associated with railways, metros, transportation, and related sectors to be a part of RailTrans Expo 2024. This event is crafted for those who envision sustainable transport solutions, bridging gaps in rail, road, air, and water-based transportation to address global challenges.

Join us at RailTrans Expo 2024, where innovation meets opportunity, and together, let's shape the future of railways and transportation.
